

Vineyards

This wine hails from a series of vineyards which line the western foothills of the Santa Clara Valley from Mount Umunhum to Mount Madonna. These districts enjoy a maritime climate enhanced by ocean cooling from the fog which rolls in during the evenings from the nearby Pacific Ocean. During the ripening season, hours of warm sunshine bake the mostly dry-farmed soils of these vineyards and allow for full physiological grape maturity and, most importantly, incredible varietal intensity. Combined, these climates and these vineyards allow for a wine where bright blackberry notes dance on an elegant structure of round, supple tannins.

In the Winery

The grapes were harvested by hand in mid-to-late October of 2019. Yields ranged from below average in the old-vine vineyards, to 3.5 tons per acre in their more youthful counterparts. Arriving at the winery, we destemmed the grapes and fermented them in small lots in open top fermentors. Over the next two weeks, the grapes were macerated using the traditional punch down method. The whole-berry fermentation combined with the cooler temperatures maintained in small lot fermentation allow us to produce a rich Zinfandel, with all of its abundant fruit intact.

Following the wine's initial fermentation, we barreled the wine in French (85%) and American (15%) oak. The wine was bottled in mid September of 2022. Only 320 cases were created.

Tasting Notes:

- COLOR:** Deep ruby with a purple edge
- NOSE:** Ripe raspberry and ollaliberry even a hint of blueberry with accents of black pepper and vanilla.
- MOUTH:** Bright and medium-bodied with a very supple palate. You'll again encounter the rich brambleberry notes complemented by soft vanilla. Though imminently quaffable, this wine will age gracefully.
